Department of Anesthesiology, Faculty of Medicine, Cairo University, Egypt

This article has been retracted: please see Elsevier Policy on Article Withdrawal (<http://www.elsevier.com/locate/withdrawalpolicy>). This article has been retracted at the request of the Publisher. Shortly after publishing the paper “Can sugammadex improve the reversal profile of atracurium under sevoflurane anesthesia?” in Egyptian Journal of Anaesthesia, <http://dx.doi.org/10.1016/j.egja.2013.09.007>, the journal received a request from the ethics committee of the Department of Anesthesiology, Faculty of Medicine, Cairo University, Egypt, for withdrawing the paper, claiming that they had found that the authors made changes in the protocol they had submitted to the committee. After investigating this with the authors, they affirmed that they had made some changes. For this reason, this article has been retracted.
