## Customer comments

*"...I am very grateful to you for helping me. The manuscript which you revised for me is excellent. Thanks a lot!"* PhD. Qingyu Guan

ELSEVIER

## Journal Editors' comments

*"...my current view is that the author should take as many steps as possible to make their article right before it is submitted..."*

*"Poor English is a worrying problem, especially when the scientific work is novel and deserves publication."*

*"... authors have to be responsible for ensuring at least reasonable language."*
